

KISKI AREA CAVALIER MARCHING BAND FUNDRAISER FOR A HURRICANE KATRINA DAMAGED SCHOOL

On October 2nd the Kiski Area Instrumental Boosters and the Kiski Area Cavalier Marching Band will be holding "The Big K Cruise-In" at the Kiski High School. Gates open at 9:30 a.m. Cars, trucks and motorcycles will be exhibited from 11 a.m. to 4 p.m.

This Cruise-in was originally designed to be a fundraiser for our marching band, however the Kiski students and the boosters have "stepped up to the plate" and will be donating the proceeds from this event to help support a high school music program in the Hurricane Katrina devastation area. We are currently working with "The Bands Of America" (BOA) marching band /music organization in Indianapolis, Indiana to find a school that has a music program in need of our help. Our donation will be earmarked for this purpose only. We know we can't rebuild a school, but we can surely help with their music program. Helping a group of students at this time in their lives, as our program has helped our students, will make our efforts worthwhile.

K.A.I.B and the community have watched the Kiski music program grow over the years to the caliber it is today. Our School Board has funded our music program and supported it over the years. One of the biggest impacts has been the community support and your donations to the fundraisers we have had. Our gratitude can never be fully measured in words but only in results. Once again we are asking for your support. We need cash donations, gift vouchers, and items for door prizes and items to be used in a Chinese Auction. All donations will be greatly appreciated. Please help Kiski Band and **"Step up to the plate with us."** The Kiski Area Cavalier Marching Band, the KAIB, and the Kiski music program thank you for your support in our effort.

We hope to see you on October 2nd. The Kiski Area Marching Band under the direction of Mr. Shawn Pityk will be presenting for your enjoyment a music presentation at 3 p.m. It will be from our current competition program **"WE WILL ROCK YOU."** If you have never seen our performance, please come and enjoy. It's our way of saying thanks.

Oh yes, did I forget? Plenty of nice cars will be there for your enjoyment along with good Kiski Valley food to enjoy. Halushki, kolbassi and kraut, pigs in the blanket and **lots of good feelings about what we are doing with proceeds from this fundraiser.**
