**HELP WANTED!** Please stop by the dock and sign up to help with the Kiski Competition. Remember this is our biggest general fundraiser of the year. The success of this event depends on your willingness to volunteer. If you are unsure of what a job entails please don't hesitate to ask - there is something for everyone and plenty of jobs to assign.

**To all KAIB members:** In an attempt to flood the area with information about the upcoming September 8<sup>th</sup> Band Competition, I would like to ask everyone to ask your church newsletter committee to put something in about this important local event in their August & September newsletters or weekly church bulletins. It would be especially beneficially to the Competition, but also to the students in the various congregations, if they were mentioned by name as participating in the band. It might take a little investigating on your part, but it will be worth the effort. As an example: **1<sup>st</sup> Lutheran Church in Leechburg is proud to support David Kramer, Sean Durkin and Amanda Dunmire, and the entire Kiski Area Marching Band, as they participate in the 22nd Annual Kiski Area Band Competition, to be held on September 8<sup>th</sup> at 7 PM at Davis Field in Vandergrift.**

**COMPETITION T SHIRT** order forms are available now. We ask that you purchase a blue Competition Crew t-shirt to wear while helping at the competition so visitors know who to ask for assistance. There will be some gently worn shirts on the dock for the taking- first come first served. See attached form for details. Contact Jackie Milheim.

**Parent and Student ADS for the Competition Program!** Putting a Parent Ad in the program is a great way to wish your child good luck in the upcoming marching season. Also, a memorable way to let your senior know just how proud you are of their accomplishments as a Cavalier Band member. Refer to your forms and please get those turned in to the dock. See Maria Kramer for questions. (Cont. over)

Previous programs available at the dock for example and ideas. Please get your bubble ads in ASAP so we are sure to fit them all in.
