Band Banquet January 9 !!

This years' annual band banquet will be held Saturday, January 9th at the Lamplighter restaurant in Delmont. Please watch e-mail, the website and information being sent home from the school through your kids for additional information and reservation info.

Change in Rehearsal on Saturday, Nov 7th

To accommodate the kids in the band taking the SAT test here at Kiski on Saturday morning Nov. 7th rehearsal will be held Saturday, Nov. 7th from 1:00 PM -5:00 PM. Percussion times are also from 1-5. The band members will be staying after rehearsal because they will leave from the school at 6:45 PM for the PIMBA competition at Gateway. They should bring their uniform when they come to rehearsal that day. Also, they should either bring their dinner with them or parents can drop them something off after the rehearsal for them to eat. Please eat smart!. This will give the kids time to eat, rest and prepare and to have a group meeting before they leave. This is the second largest competition they will compete in this year so please come and support what your kids have been working on all season long!!

Schedule Changes for this week

Because the football game was moved from Friday to Thursday this week there are some schedule changes that have to be made. Thursday's practice is moved to Wednesday, Nov. 4th from 6 PM - 9 PM. Rehearsal will also take place after school on Friday Nov. 6th until 5:30 PM.

Thanks to Debbie Kukieza

Much thanks to Debbie Kukieza for coming back from retirement and completing our closer guard flags within a week of us asking for her help. Debbie was very active in the boosters and Lauren, her daughter, graduated a couple of years ago. Due to a variety of design and production problems that delayed completion we called on Debbie and she came through for us in a big way. Her dedication to the Kiski band over the years has shown in so many ways and we certainly appreciate her help. Thanks!!

Holiday Parade Nov 27

Don't forget the band will be participating in the holiday parade in Vandergrift on Friday, Nov. 27. Look for e-mail and website for more information as we get closer. The directors will also communicate to the kids at school for report times, etc.

**Student Account Reimbursable Items
Expanded**

The Executive Board has voted to expand the items reimbursable from your student account to include music lessons that students may be taking from a variety of instructors in the local area. This change will hopefully make it a little easier for students to commit to music lessons and encourage them to expand their proficiency on their instruments. A form will soon be released that you will fill out and have the necessary information, amount and signed by your music instructor. We ask that you submit forms on a monthly basis to make the program more manageable for the Financial Secretary, Sandy Bauer. As the reimbursements will go directly to the parent, you will need to pay your instructor at the time of the lesson and then submit for reimbursement. As always, no item can be reimbursed from the student account until your current year and previous years' assessments are paid. We hope you take advantage of the fundraiser system to earn money for your student account towards additional beneficial items such as this.
