

# KAIB WEEKLY NEWSLETTER

(June 21 - June 27)

[www.kiskiareaband.com](http://www.kiskiareaband.com)

## “Imaginarium”

**Welcome!!** The Band Boosters put out this weekly Newsletter to keep you up to date on events, information, activities and fundraisers etc. The newsletter typically is distributed on Monday evenings during band season after band rehearsal. Please check with your son or daughter for the newsletter as there is much information distributed here. The booster organization, KAIB (Kiski Area Instrumental Music Boosters) is here to support all of the instrumental music programs of the Kiski School District. In the summer and Fall our biggest job is to support the Kiski Marching Band. We help provide logistics behind the scenes so our kids can do their thing on the field. When you see how hard our kids work then it makes it easier to contribute some of your own time. Please consider pitching in and if you have any questions please see the “experts” on the dock (the garage door by the music wing entrance) when picking up your kid or contact any KAIB officer or your section parent for information. More information will follow on section parents later. You’ll also have a great time and guaranteed you’ll be proud of your kids. Please be involved!!

### DODGEBALL JUNE 28

On Monday June 28 after rehearsal we will have the Staff Vs. Student dodgeball game. Get ready to rumble and take your frustrations out on your favorite staff member (or student). Last one standing wins. Actually you don’t win anything but bragging rights.

## Aramark Training

Working at the concession stands at the home Steeler games for Aramark is a great way to earn money towards your student band account. Any friend or family member over 18 years old can also work and designate the funds to go into your account. As an example of how fast your account can accumulate is the fact that over \$12,000 student credit was earned through the Aramark program last year. Everybody who works the stand needs to have completed training by Aramark. The training only takes a little over 1 hour and is easy to complete. We are attempting to have the training done here at Kiski sometime in July or August but we need a total of 30 people for Aramark to come out. If you are interested in any way we suggest you complete the training. The training certificate is good for 3 years so if you are currently trained and would like to recertify this is a great opportunity. If you don’t take the training at Kiski you can still go to the stadium and take it but that isn’t as convenient. If you are interested please contact Bryan Fitzgerald at 724-337-7669 for further information.

## CAR CRUISE FLYERS

The band’s annual car cruise will take place on Oct. 3 at the Kiski school complex. We have an ample supply of car cruise flyers advertising the cruise and if you are interested please stop at the dock to pick some up to distribute at your work, neighborhood or another car cruise you might attend.

## 2010-2011 K.A.I.B. OFFICERS

President	Rick McWilliams	733-7918
1 <sup>st</sup> Vice Pres.	Judy Herstek	727-3303
