

Kiski Band Financial Obligation Acknowledgement

My child (children) (print your Kiski Band member(s) name(s) below)

_____ is privileged to be a member of the Kiski Marching Band. The Kiski Band has a long standing tradition of excellence and success because of the committed participation of the members and staff. To be a part of this group is a great opportunity and an honor. I realize that my student(s) will benefit from staff instruction received, drill, banquet, food and transportation during the band season. I acknowledge that being part of the Kiski Band there are certain financial obligations for each student to pay for these benefits that will help make my student(s) successful. The 2011-2012 season personal student assessment is \$550 payable on or before November 1, 2011 and I promise to pay my obligation. (Discount applies for multiple family members). I acknowledge that the Kiski Area Instrumental Boosters provide many opportunities to fundraise all or a part of this personal financial obligation. If I am unable to fulfill my commitment for any reason I will contact the KAIB Executive Board to make alternate arrangements.

Further, I acknowledge that the Kiski Band also holds certain fundraisers to benefit the General Fund. Examples of these General Fundraisers are the Kiski Competition, Car Cruise, Steeler Raffle, Penguin Raffle etc. The General Fundraisers help defray the cost to each student or the personal financial obligation would be much higher. For the General Fundraisers to be successful I am willing to participate in these fundraisers.

This form must be returned prior to August 12, 2011 or your student will not be able to participate at Kennywood.
