Executive board decided the managers' assessment will be \$225.

Executive board approved purchasing a new ice machine and storage bin. The used one we had is very old and broke. The machine is needed as some usual local suppliers will no longer give us free ice. Rick thoroughly researched and found Manitowoc to be a good quality machine. It can be used for many years to come and will save us purchasing ice. Cost is \$2400 maximum. Motion to approve.
