Vacation forms

Please remember to turn in your vacation forms to the Band Staff. Vacation forms can be obtained from your Section leader, Drum Major or Band staff. We have copies at the Dock also.

DJ and Dessert Night Social (July 9 after practice)

The purpose of this evening is for the entire band and their parents to meet and mix. We ask all families to provide a dessert for this evening. Drinks and a DJ will be provided. The kids always enjoy the evening and it gives them an opportunity to meet the upperclassman. (It is held at the high school.) Help from all parents is welcome.

Fundraising 101 Meeting:

Thank you to all of the parents and chairpersons for their time and attendance at last Monday's Fundraising 101 informational meeting. If you were unable to attend, we are here to help and answer any questions you may have – please stop by the dock and see us! Don't wait, pick one and get started! Those dollars, quarters, and dimes, add up to reach your student assessment. More learning opportunities are being planned.
