Congratulations on a Great Car Cruise!!

A big congratulations and Thank You on a very successful Car Cruise. The numbers are preliminary but look fantastic and exceeds our greatest expectation. Hopefully we will have some receipt numbers ready for Wednesday's General Membership meeting. The weather was the best, the band was the best and the workers were the best. The cars were awesome. A very special **Thank You** to Ron and Cookie Laufer who tirelessly (well, maybe a little tired) worked on this for months. Without their consultation, work and expertise we would have never been able to pull it off. What we should be proud of the most is that we will not only be able to help out our General Membership budget needs but we will also make a **significant** donation to the Cancer Society in memory of Stephanie Nicholas. Everybody who pitched in should be very proud of their hard work and the success that resulted. Thanks also go out to the School Board and Mr. McClarnon who approved our request to use the Schools facilities. A great day all around!

General Membership Meeting This Wed.

The General Membership Meeting will be held this Wednesday, October 17 at 7:30 pm in the upper band room. Please be involved in the Booster organization. We need you.

Charter Bus to Towson A Go!!

More good news! The bus to Towson is a go. Even better is that there are still a few seats available in the very comfortable cruiser. **Please** turn in your forms at the dock. Forms are available at the dock. Please call Rita Aber with questions. Help show the kids your support. Let someone else do the driving. The estimated time the Regional is over is nearly 12:00 midnight which gets you home around 4:30 AM. It's a long day and a lot more comfortable with somebody else driving. Go Kiski!!

PLEASE pick up any items that we used for the cruise at the dock – roasters, pots, extensions, generators, etc. Thank you for everything!
 Gina

A Note on BOA Patches

Parents, the Band Boosters provide a BOA Regional patch to each Band Member so if you are at Towson it is unnecessary to purchase one for them.

Picking up your Students at Towson

If you are planning to pick up your student at Towson here are a few tips that will help you. Parents/guardians please bring a note to your students Bus Captain at drop off. Please obtain your Bus Captains cell phone# so that you will be able to call them after the Regional to find out where the buses are located. You must arrive at the buses before the buses are ready to depart or you will have to pick them up at home. Sorry we can't wait. You must check in with the Bus Captain when you arrive to pick up your Band Member.
