Welcome to all the new students and their parents! The Kiski Band Boosters put out this weekly Newsletter to keep you up to date on events and fundraisers etc. The organization is only what we make it as parents and when you see how hard our kids work then it makes it easier to contribute some of your own time. Please be involved!!

New Parent Meeting June 9 8:30 PM

We will be passing out a packet of information including a few forms that will need to be filled out the evening of June 9. These forms include a student account form, medical form, and contact form. Some other forms that will be in the packet but should be filled out and turned in as soon as possible include a volunteer form, chaperone request form and the chaperone medical form. We will make this meeting as quick as possible to introduce you to some of the directors and officers and to answer any questions you may have. We will have a fundraiser informational meeting around the beginning of July to get you acquainted with the fundraiser system.

Palumbo

Tim from Palombos will be visiting on June 16 from 4:30 – 6:00. Palombos have been the Kiski Band's apparel supplier for years. He will be taking orders for Jackets, gloves and shoes. These are the only parts of the uniform that are the student's personal responsibility to obtain and are the only authorized apparel to be worn at performances. All remaining uniform items are provided by the school. See the attached order forms. He will return another date in July for make-ups.

Band Returns from Florida

The marching band returned from their Florida trip yesterday, June 1. They visited Wet N' Wild Water Park, Universal Studios, Islands of Adventure, Aquatica (Sea World's brand new water park) and Sea World. They marched in a parade at Universal Studios. Despite the 105' temperature on the last day they had a great time. Just ask one of them. Thanks to all who helped put the trip together!

Volunteers Needed

The band booster organization works exclusively under volunteer power. We need all parents involved in some capacity. Some examples of jobs include chaperoning, medic(provide first aid treatment to marching band members), fundraisers, Band Competition, car cruise, dock workers, truck drivers, pit workers, carpentry work, electrical work, band camp, website maintenance and data base updating, equipment moving and loading and unloading, mechanical maintenance, help at hospitality functions. The list goes on and on. Please consider serving in some capacity. Some jobs can be done at home and some at the school. Volunteer forms are found in the packet you will receive soon or you can speak with one of our officers.

Please check the website often as various forms and information can be found there.
